## Mondial Sport Classic 125 ABS 2024

TIMELESS SPORTS CLASSIC: Pagani 1948 125cc

**£3,299** +OTR

**from £64.32 p/m**

The Pagani 1948 Sport Classic 125 pays homage to the legendary pilot Nello Pagani, who secured the first 125cc world championship on an F.B Mondial in 1949. This victory also earned F.B Mondial the manufacturer's world championship, a remarkable feat for a company that had been founded just a year prior. Despite its retro design, the Sport Classic 125 is equipped with modern technology to ensure high-performance and safety. It features sport tyres, a 4-piston radial calliper with ABS, an upside-down front fork 40mm, and spoke rims wheels for a complete sporty classic style. The motorcycle's design evokes the passion of 1950s racing, where success was achieved not only with powerful engines but also through the exceptional riding skills of legendary pilots. Other features of the Pagani 1948 Sport Classic 125 include a full-colour digital display, twin shotgun exhaust, a single cylinder 13.4 bhp 4-valve DOHC engine, an LED and halogen headlight, a tailored seat, dual adjustable rear shocks, 17 inch spoked wheels, and front and rear wavy disc brakes. Overall, the Pagani 1948 Sport Classic 125 is a beautiful blend of classic and modern design elements, paying tribute to the rich history of motorcycle racing while incorporating the latest technological advancements
